DATE: Sept. 9, 2022

ORT – Deviation of Rt. 20 due to construction on West Ave.

09/13/22

Due to construction on West Avenue, the route 20 bus stop associated with Hillcrest Towers will be relocated to School Avenue on the east side of the Towers.

A temporary bus stop will be used on the east side of Hillcrest Towers on School Avenue. Route 20 will deviate north on Archibald Yell and College Ave, then west on Dickson then south on School.

Please see map attached and follow our social media platforms and website: www.ozark.org for updates. Please call our office at (479) 756-5901 for specific inquiries.

ABOUT OZARK REGIONAL TRANSIT

ORT has two Fixed and one On-Demand Transit (ODT) Routes in Fayetteville, three Fixed in Springdale and two ODT routes each in Bentonville and Rogers, meaning two buses. Additionally, ORT offers an express bus service between Fayetteville and Bentonville, which is very popular with NWACC students.

Curb-to-curb service is offered in all four cities with Fixed-Route or ODT Service and — to a more limited extent — in rural areas and smaller cities in Washington, Benton and Carroll counties, Monday through Friday (also on Saturday in Bentonville and Rogers).

All ORT vehicles are wheelchair accessible, and all Fixed Route and ODT buses are bicycle friendly.

Information on curb-to-curb Service, Fixed-Route transit and ODT can be obtained by calling ORT at (479) 756-5901 or visit ORT's website: www.ozark.org.

For more information on this subject, call Jeff Hatley at 479-365-2161.

Thank you,

Jeff Hatley
