As the situation with Coronavirus (COVID-19) escalates, I wanted to personally, let you know all of us at Ozark Regional Transit are taking necessary measure to keep our employees, and you, our passengers, safe. We understand the concern and uncertainty you may be experiencing as the circumstances surrounding COVID-19 evolve.

We are closely monitoring and following guidance from the Centers for Disease Control (CDC), including taking additional steps to reduce the threat of exposure to employees and members. We have a team in place, which prepares for situations, such as this, that could disrupt service.

Ozark Regional Transit remains operational and dedicated to our promise to you, to treat you with respect and provide safe and efficient travel.

Sincerely,

Joel Gardner,
Executive Director
